

# Table Light

## INSTRUCTION MANUAL

### Safety Warnings

- These products are only suitable for connection to a 220-240V~50Hz supply in accordance with current IEE wiring Regulations and should be installed in accordance with local Building Regulations and are for indoor use only. They are not suitable for a Bathroom location.
- Do not plug into the mains until your lamp is fully assembled.
- Under no circumstances must this lamp be covered with any material as this could pose a safety hazard. It must be used on a stable, flat surface.
- This product is not suitable for persons under 14 years of age.
- This lamp contains non-replaceable LEDs. Do not stare directly in to the LED beam.
- If the mains cable or plug becomes damaged it must only be replaced by a technically competent, qualified person.
- If you are in any doubt about your competence please consult a qualified electrician.
- If any modification is made it will invalidate the warranty and may render the product unsafe.

### Care Information

Allow 10 minutes to cool before adjusting or cleaning.

Clean with a dry cloth only. Do not use liquid or abrasive cleaners on this product.

### Assembly/ User Instructions

#### Before you start

Please read these instructions carefully before fitting and retain for reference.

Check the packaging and make sure that you have all the required parts. Follow each assembly step in order to prevent incorrect assembly. Ensure that the product is fully assembled as illustrated before use.

**These assembly diagrams are intended as a guide – if in doubt consult a qualified electrician.**

1. Carefully unpack your lamp, and place on a stable, flat surface.
2. Affix the decorative balls (1 & 2)
3. Plug in and operate the in-line switch to turn your Lamp on.

If your Lamp will not illuminate, please check the relevant fuse in your Fuse Box. If unsuccessful please consult your Retailer.
